

Reception Learning

Autumn 1

This half term in Reception, we have been exploring...

Literacy

In Literacy, we will be sharing *The Friendship Bench* and *Amazing* with the children as our key Literacy texts.

We will also share a variety of rhymes and songs with the children.

We will be practising our name writing and labelling pictures with initial sounds.

Please support your child to practise writing their name using their name card (first name) and continue to practise the letter formation on the sheets sent home each week.

Please continue to support your child at home by sharing stories with them on a regular basis and following the Phonics links shared each week.

Maths

This half term we will be introducing the children to matching, sorting and comparing. We will be comparing size, mass and capacity as well as exploring simple patterns.

Play the following video and encourage your child to join in:

[Subitize Up To 5 \(soo-bi-tize\) | Math Song for Kids | Jack Hartmann - YouTube](#)

All About Me/Farmyard

This half term, our topic is All About Me/Farmyard. We will be talking about families and celebrating similarities and differences.

We will be finding out about farmyard animals and different festivals such as Harvest.

We will find out about the changing seasons, learning about autumn and we will go on an autumn walk to the park. We will create our self-portraits as well as finding out about the artist Andy Goldsworthy.

Thank you for your continued support,
The Reception Team
