Headteacher's Message

I have just finished walking the school with another headteacher. She had asked to come in and look at teaching, nursery and afterschool club. All of which she really enjoyed. However, none of these things were the thing she spoke most enthusiastically about. I'm sure you can guess where I'm going with this... it was how polite and friendly all the children are! I totally agree. Please let them know how impressive they are.

Reception

We are so proud of Reception for taking part in their first Sports Day! The children were amazing and showed great determination to have a go and try their best. It was lovely to see the children cheering for each other and showing great team work. Well done Reception!

EYFS

We have had lots of fun in both Nursery and Reception this week, planting vegetables, herbs and flowers to improve our school environment. We are learning about how to take care of plants and vegetables and what they need to survive.

Year 5

This week in beliefs and values, the children enjoyed presenting their learning in the form of a Snakes and Ladders game. They have been learning about the four purusharthas (aims of life) as part of their topic about what it means to be a Hindu in Britain today.

Year 3

Recently, we started a Michael Morpurgo "Book Hook." The aim is for every child to read a Michael Morpurgo book and then give the class a short review. We reached out to Michael himself to let him know and he surprised us all with the gift of a book signed to us personally! Another great achievement for Y3!

Nursery

This week, we welcomed our families to join us for an Outdoor Stay and Play. We were really proud to take our families around our wonderful outdoor space and show them the different areas. We loved being able to share the activities we enjoy outside and to play and explore with them too! Thank you to all of our families for coming along.

Stars of the Week

I loved it! It was an absolute joy talking to the Stars of the Week this week. Their enthusiasm was contagious; their ideas were fantastic and they were just a genuine joy to spend time with. Thank you!

Important dates

Year 6 SATs Week	Monday 13th May 2024
End of Summer 1	Friday 24th May 2024
Start of Summer 2	Monday 10th June 2024
