### Headteacher's Message

Last week was one of those weeks where I feel very privileged to do the job I do. It started with a weekend in PGL where the children were a credit to themselves and the school and an absolute joy to spend time with. I would also like to thank all our team who gave up their weekend to create this opportunity for the children. Then it finished with our Oscars, which as always were an amazing event. Year 5 put on a fantastic show and blew everyone away with how talented they are. There were some deserved Oscar winners but as always it's the reaction of the other children when their classmates win, which is the highlight of the event for me.

### Year 6

We have been exploring the world of food in our DT unit. This week, we used our research and the recipes we developed to bake scones including our chosen flavour combination from taste-testing - chocolate and strawberry was the clear favourite. The end-results were very tasty!

### Year 5

Last Friday, we took our Year 5s to PGL Winmarleigh for an action-packed weekend of activities and fun! The children had an amazing time, and we are incredibly proud of them for the level of resilience and determination they all showed. Well done Year 5!

### Year 3

This week we have been thinking like historians and geographers. We interrogated maps from 1848, 1899, 1912 and 2024 to see how land use has changed in Edgeley. We were surprised to see just how much our local area has changed.

### Year 1

We thoroughly enjoyed the Oscars this week. We loved watching the show, receiving the awards and even having an 'after party'! At the party, we celebrated by dancing, singing and colouring. It was lots of fun!

### Sports Day

Parents and carers are welcome to attend our Sports Day on: **Wednesday 24th July OR Thursday 25th July** (depending on which year group your child is in - see below).

This year, we will run the event as individual year group sessions. This allows for more participation for each child.

On the day, please send your child to school in their usual PE kits plus weather appropriate clothing (t-shirt, shorts/jogging bottoms, trainers, waterproof coat, sun hat, apply sun cream if necessary).

If you are planning to watch, please arrive at Stockport Academy (15 minutes before the start time) via the delivery entrance on Alandale Road. We hope that we will have a glorious day and the children will enjoy taking part. Unfortunately, sports day will not go ahead in the event of bad weather, and parents will be notified via text. After each session, the children will be taken back to school.
