Friday 14th February 2025

Dear parents and carers,

A fantastic week in school to end another busy half term. It has been lovely to pop into classes and see all the amazing things the children have been learning. They are always very proud to show their work, which demonstrates how hard they have worked and their desire to do well.

School reopens on Monday 24th February... Have a great half-term!

## Forest School

We are very proud of the first group of children to have taken part in our Forest School project. They proudly received their certificates in assembly this morning and Miss Oakley said how proud she was of their achievements. Well done!

## Stars of the Week

It was great as always to have drinks and biscuits with this week's 'stars'. We talked about the subjects they enjoy in class and why, and they also talked confidently about what helps them with their writing. Well done everyone!

## EYFS

This week, Nursery have loved celebrating Valentine's Day. We have explored a variety of textures in a Valentine's themed sensory tray, made sparkly love potions in the water and used cardboard tubes to print red and pink hearts. We have also shared who is special to us and why.

## KS1

This week, we have had some very exciting visitors in Year 1! We saw lots of different animals and consolidated our learning about the features that they have and the animal groups that they belong in.

## KS2

On Tuesday, Year 3 put on an amazing Bangdrum performance. We have been learning to play the African drums and learning some traditional call and response songs. We were very proud to invite our parents and carers to show off what we had learnt. We even got some parents and teachers to perform, too!

## World Book Week - Starting Monday 3rd March 2025

When we come back after half term, we are looking forward to celebrating reading across the school. World Book Day is on Thursday 6th March, where we will be asking the children to come dressed as a word, for our vocabulary themed day.

As well as this, there will be a variety of other fun-filled activities throughout the week. We have arranged for some authors to visit our school, lead some exciting assemblies and inspire the children in workshops.

There will be an opportunity for children to purchase a copy (or copies) of the author's books.

Don't worry, we will send you more specific details about the authors and their texts during the first week back after half term. Thank you for the support.
