### Headteacher's Message

This week we have had a number of teachers and headteachers from other schools observing lessons and walking our school. Every single one of them commented on how polite the children were, how impressed they were with the children's desire to learn, and the quality of what they produce in all subjects. I couldn't be prouder of every child and the whole of our staff team. Well done all.

### Alex Park Choir

On Wednesday, the choir sang at the Bridgewater Hall in Manchester with lots of children from other schools. They also had the opportunity to sing with the Halle Orchestra and listen to some amazing classical music played by the musicians of the Halle.

What an amazing experience!

### Year 4 and 6

#### Drama for Democracy

Year 4 and 6 took part in a brilliant drama workshop to learn all about one of our British values: Democracy. They were introduced to the concepts of capitalism, socialism and nationalism and discovered how proposals are debated in parliament. They took part in a debate, which was structured in the exact same way that it would be in our parliament. Through creativity, collaboration and serious determination, they thrashed out their views on whether dogs are better than cats. After much debate, dogs won by a landslide!

## Year 4

This week, Year 4 went to Venture Out Activity Centre. The children had lots of fun completing a river study on the River Mersey and participating in outdoor activities such as rock climbing and canoeing. We were so proud of how the children gave everything a go, even if an activity was outside of their comfort zone. The instructors also commented on how respectful and enthusiastic the classes were.

Well done Year 4!

## Year 1 and 2

Year 1 and 2 had their Sports Days this week. All the children had a brilliant time participating in the races and cheering on their classmates! They showed amazing teamwork and resilience and were all very proud of their medals. Well done everyone!

## Important dates

Year 6 PGL Residential	Friday 21st June 2024
Year 5 PGL Residential	Friday 5th July 2024
Oscars ceremony	Wednesday 10th July 2024
KS2 Sports Day at Stockport Academy	Wednesday 24th July 2024
Summer Fair	Friday 12th July 2024
End of Summer term	Tuesday 30th July 2024
