### Headteacher's message

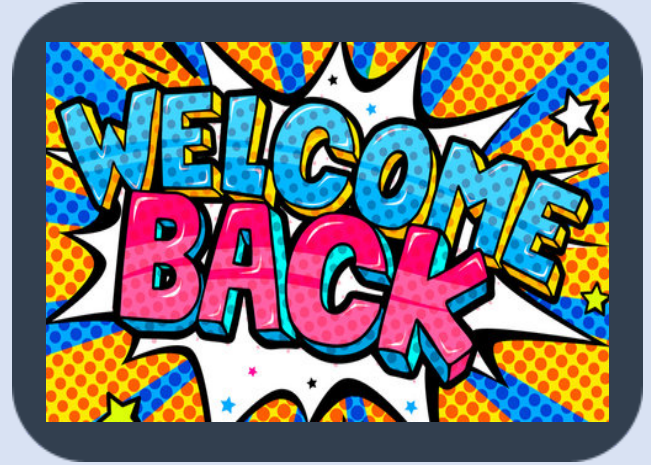

I hope you all had a great summer and spent some enjoyable time and created some fantastic memories with your children. I'd like to thank all the children for contributing to such a successful first week back. Our team has been delighted to see how hardworking, polite, and caring the children have been in their new classes.

I'd also like to remind all parents that we are a healthy school, so please do not send chocolate, crisps, or sweets. Additionally, we are a nut-free school to ensure the safety of all children and a member of our team.

Thank you for your cooperation and have a great weekend.

### Summer reading

It has been great this week to see some of the excellent reading children have been doing over the summer. They have been really proud to show off their certificates and awards from the Stockport Summer Reading Challenge and their Reading Bingo activities. Please keep these coming in as the class teachers would love to keep sharing these achievements. Thank you.

## Year 4

This week Year 4 have been getting arty creating pieces linked to our class icons ready for our displays. They've shown great creativity and resilience when the techniques have been tricky and they have achieved fantastic results. Well done everyone!

## Star of the week

It was an absolute joy to start the year celebrating with all the children who earned their Viking Awards last year for achieving their Care, Aspire & Achieve awards. A huge congratulations to all!

## Important dates

Following on from feedback from parents, each year group will be sending out key dates in the coming weeks.
